

SINCE 1903

# ROKER PIER

SUNDERLAND

Roker Heritage Group are looking for people interested in becoming volunteers at one of Sunderland's most iconic structures.

As a group, we are responsible for providing tours of Roker Pier and Lighthouse.

If this interests you, we have positions available for:-

Tour Guides  
Finance & Administration  
Social Media  
Retail  
Web Site Admin  
Maintenance  
General Duties

You need to:-

Be a good communicator  
Have an interest in local history  
Be reliable and be able to commit to regular, mutually agreed sessions.  
Ideally have some relevant experience or skills in the role you want to do.

We will provide you with relevant training needed and a uniform. We do not have any age restrictions.

A basic Disclosure and Barring Service (DBS) is required for all volunteers.

If you are interested in being a tour guide you need to be aware there is quite a bit of walking involved and there are a lot of stairs to the top of the lighthouse! So, if you are outgoing, relatively fit, love local history and want to share our unique experience of a Victorian pier, tunnel and lighthouse, you may be the very person we are looking for.

As well as tour guides, there are other posts available behind the scenes. Specific training will be given but generally we would like volunteers to have some level of relevant skills and experience for the post they want to do e.g. for admin positions to have knowledge of Word/Excel or similar, for IT based posts knowledge of FaceBook, Twitter, web software etc, for shop admin experience of retail, but we also have other roles where a friendly disposition and a willingness to help is all that is required and other training will be given. If you want to be involved with this amazing structure at any level, please get in touch!

So, come along and join us, we are a friendly group of volunteers with a passion about Sunderland's historic pier and lighthouse.
